Commemorative Certificate of Birth

The Iowa Department of Public Health is pleased to offer commemorative certificates of birth, which makes a memorable keepsake or gift.

This parchment certificate features a gold foil border, image of the state capital of Iowa, and calligraphy print of the individuals' personal information. Gold embossed State and Iowa Department of Public Health seals make it a valid certified copy and legal document. Each certificate is signed by both the Governor of Iowa and the State Registrar. Its 8-1/2" x 11" size is suitable for framing.

Certificates are delivered in protective envelopes within 30 days of application. All applicants must meet the same qualifying direct-and-tangible interest standards (i.e., immediate family) as for any certified birth certificate request. Submit each fully completed application form with \$35 (check or money order) to:

Iowa Department of Public Health
Office of Vital Records
321 E. 12th Street
Lucas State Office Building, 1st Floor
Des Moines IA 50319-0075.

The information on the other side must be completed in order to make application for the Iowa commemorative birth certificate. Registration of births in Iowa officially began July 1, 1880. The original records of all births registered in Iowa are maintained in the Office of Vital Records, Iowa Department of Public Health.

The \$35 fee for the commemorative birth certificate includes the search for the record and one commemorative certificate. If the record is not located, the applicant will receive a notification of the record search results and a \$15 refund, with \$20 retained in this office to cover the cost of the search as required by statute.

Each additional commemorative certificate for the same record is \$35 and can be ordered on the same application form.

Application for regular certified birth certificates requires a fee of \$20 for a state record search and includes one certified copy. Each additional copy of the same record is also \$20. If the record is not located, the applicant receives a notification to that affect. The \$20 fee is retained in this office for the search.

Applications to search for a vital record event for the purpose of obtaining a commemorative copy must be in writing, completely identify the record, and establish entitlement to the record being requested. Entitled persons include the person named on the record or that person's spouse, children, legal parents, grandparents, grandchildren, siblings, or legal representative or guardian. Legal guardians and representatives must also provide additional proof of guardianship or representation. Applicants must be 18 or older. Requests must include the applicant's current government-issued photo identification (e.g., driver's license), except if by mail, a clear photocopy of the I.D., and the applicant's signature signed in front of a notary public or in the presence of an Iowa Registrar of Vital Records.
