

## Infestation Report Form

Use this form to report noxious weed infestations in Johnson County and help us prioritize our weed control efforts. Please feel free to let us know if you can't identify the plant but are concerned that it could be a noxious weed infestation. Possible infestation locations might include gardens, pasture areas, in and around lakes and ponds, by rivers, along roads, and in parks or open spaces in your neighborhood.

**Please fill in your name and contact information** in case we need more specific directions, or if you would like a follow-up on what we found.
