Maximum dimensions and weight allowed on an annual oversize/overweight permit are: length -120', width - 13'5", height - 15'5", weight - 156,000 lbs. Enter actual dimensions if self-propelled oversize/overweight vehicle.

This permit is valid only for travel on Johnson County Roads in Iowa. It is not valid for travel on state and US highways, interstate highway or city streets. Separate permits must be obtained from the proper governing authority for travel on these roadways.

It is the responsibility of the carrier to route themselves around low clearances, construction projects, embargoed roads and bridges. If carrier demonstrates inability to self route, the permit will be revoked.

Permits can be issued only for transporting single articles that exceed statutory size limits unless the inclusion of additional articles does not cause the size or weight to further exceed the statutory limits.
