Public Information Meeting Regarding Improvements to Ely Road Intersection with HWY 382 Johnson County Project #LFM-Ely2--7X-52

Public Information "Open House" to be held Wednesday, July 26th, 2017 from 5:00-7:00 PM at
Solon Public Library

Johnson County, Iowa – Construction will be starting soon on the aforementioned project. Secondary Roads will host a project "Open House" to provide an opportunity for interested parties to gain a better understanding of the project scope and staging, anticipated construction schedule, learn about roundabouts, and ask questions of our engineering staff. There will be no formal presentation, so feel free to drop in at any convenient time during the event.

The project involves realignment and construction of a rural roundabout at the intersection of Highway 382 and Ely Road to improve safety and level of service in this rapidly growing area. Weather permitting, construction will begin August 07, 2017 and will be completed by mid-November. Peterson Contractors Inc. of Reinbeck, Iowa is the prime contractor.
