For Immediate Release

**Ely Road to remain closed from Hwy 382 to 140th Street until Wednesday, November 22, 2017.
Johnson County Project #LFM-Ely2--7X-52**

Johnson County, Iowa – W6E (Ely Road NE) is expected to remain closed to through-traffic from Hwy 382 to 140th Street until noon on Wednesday, November 22nd based on the latest forecast weather conditions and schedule update from the prime contractor. Through-traffic should continue to follow the marked detour from Hwy 382 to Hwy 1 to 140th Street and vice-versa.

We regret the contractor was unable to meet the original goal of opening the road to traffic today. However, they are working diligently to complete several essential elements of the project including pavement markings and signs, and we will open the intersection to traffic just as soon as possible.
