November 21, 2017

For Immediate Release

### **W6E (Ely Road) and F16 (Highway 382) Intersection Construction Substantially Complete**

**Johnson County, Iowa** – The roundabout at the intersection of W6E (Ely Road NE) and F16 (Highway 382 NE) has been substantially completed. Ely Road North of Highway 382 will be open to traffic no later than noon on 11/22/2017. The contractor will continue to work on remaining project requirements until the spring of 2018, so please watch for temporary traffic control changes in and around the intersection as we touch things up.

Please buckle up, drive defensively, and be patient as drivers learn to navigate the new intersection. Remember when nearing a roundabout to slow down, watch for, and be prepared to stop for pedestrians. For more tips on safely navigating a roundabout, see pages 18-19 of the Iowa Driver's Manual which can be found on the IDOT webpage here: <https://iowadot.gov/mvd/driverslicense/dlmanual/dlmanual.pdf>

Thank you for your patience while we completed this much-needed improvement. Have a safe and Happy Thanksgiving!

Please go to the [Road Construction Updates link](#) on the Secondary Road Department webpage or scan the QR code at left for updates on this and future projects. Follow Secondary Roads on Twitter @JCSecondaryRoad.
