**Nov. 30, 2017**

### **Bike Gadgets and Accessories Open House is Dec. 8**

**Johnson County, Iowa** – An open house showcasing bicycle gadgets and accessories will be held from 11:30 a.m. to 1 p.m. Friday, Dec. 8, in the first-floor conference room of the Johnson County Administration Building, located at 913 S. Dubuque Street in Iowa City. The public is welcome to drop by anytime during this free event, which is hosted by the Johnson County Green Team.

Experts from two area bike shops—the Broken Spoke and World of Bikes—will be on-hand to demonstrate items, including safety accessories, and answer questions. This is a show-and-tell type event (no sales); however, free bicycle maps will be available.

The Johnson County Green Team, established by the county's Board of Supervisors, regularly hosts talks and activities on sustainability. Learn more online at [www.johnson-county.com/gogreen](http://www.johnson-county.com/gogreen) or contact the Green Team at [greenteam@co.johnson.ia.us](mailto:greenteam@co.johnson.ia.us) or (319) 356-6083.
