BUSINESS EMERGENCY NOTIFICATION FORM

Greetings:

In order to better serve you and to protect your property we ask that you take the time to fill out this emergency notification form and return it to the Sheriff's Office. Frequently during the course of our duties a Deputy finds an open door to a business or responds to a burglar alarm. Much too often we are unable to contact the owner or call list personnel to have them respond to check out and secure the business. This means that we have to secure it the best way we can and leave it that way. We would greatly appreciate you taking the time to fill out this form so that if our Deputies find a problem with your business we can contact you. Please fill out this form completely and provide as many names and phone numbers as possible to contact in case we should find a any type of problem with your business. Thank you!
