INFORMATION RELEASE

FOR IMMEDIATE RELEASE

To: Johnson County Media
From: Tom Slockett
Date: September 16, 2010
Subject: 27 Satellite Voting Petitions Filed; Preliminary List of Sites Announced

Through today's 5 p.m. deadline for petitions for satellite voting locations, 27 petitions have been filed for 22 different locations.

A petition for satellite voting requires 100 signatures from eligible electors. Auditors are required by law to schedule these sites, and public facilities are required to host petitioned sites. 26 of the 27 petitions were for public facilities, primarily on the University of Iowa campus. The one privately owned building has agreed to host a site.

Auditors may also schedule sites at their own discretion, which I have done since 1992. Despite the large number of petitions we will be able to accommodate both the petitioned sites and our usual schedule at our traditional and popular sites.

Petitions were received from the following groups for the following sites:
