UNIVERSITY HEIGHTS ADMINISTRATIVE RECOUNT SHOWS NO CHANGES

An administrative recount of University Heights ballots from the November 3 city election showed no changes from previously reported results.

The five member, bipartisan special ballot board was observed by three members of the public. The results were canvassed and approved by the Board of Supervisors earlier this afternoon, and as there is no change a second canvass is not required.

A record total of 414 University Heights voters participated in the election, including 70 early voters and 344 Election Day voters. The 52 percent turnout was by far the highest of any city in the county. Results were:
