Dear Vacancy Committee:

Re: Application of Janelle Rettig

I have known Janelle for over 25 years and during that time have come to appreciate her understanding and knowledge of all sides to a question. Her patience in making decisions is equalled by her ability to absorb and deliberate all sides of an issue based on her research into a subject or issue, making her decisions on fact rather than emotion. Yet, she can stand up for something that she believes in.

Aside from this, I believe that a review of her resume will confirm her commitment to good quality government, making her the most qualified candidate for the position of Supervisor for Johnson County and I would encourage you to appoint Janelle to this position.

Sincerely,

Marylou Henley
