Dear Mr. Slockett,

I am writing to express my support for Norm Bickford for the Supervisor vacancy. I have known Norm for 14 years and know him to be an excellent choice for the seat. He is highly intelligent, thoughtful, honest, and innovative in his thinking. He can listen to all sides of an issue and immediately discern all sides and solutions. He would be the breath of fresh air we desperately need in our local government. Please give him your consideration for the open seat.

Sincerely,

Jim Cannon
