

S Solon State Bank

October 20, 2009

Dear Mr. Slockett,

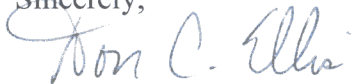

I am writing to offer you my knowledge of, and familiarity with Charles Panzer of Solon. I have known "Chuck" for 30 years originally through his banking relationship with my employer, Solon State Bank. Chuck continues to handle his finances in a conscientious and prudent manner. He is widely known in the community, as a caring, and friendly individual. He is constantly in the forefront by being involved in church, school, and town activities. He serves on the Solon Library Board and serves in leadership role on committees at the Solon Methodist Church. He generously volunteers his services to local funeral homes for families that are unable to pay for retail funeral services.

Through my own volunteer role as "voice of the Spartans," I have witnessed Chuck's volunteer spirit. He often serves as score keeper or runs the time clock at many Solon High School athletic events. He exhibits the ability to work smoothly with others.

It is my belief that Chuck would be a fine choice to replace the remaining term of Larry Meyers on the board of supervisors. By filling the empty seat of Solon's Larry Meyers with Solon's Charles Panzer it would provide continuity of representation to the Board of Supervisors.

Thank-You!

Sincerely,

Don C. Ellis, Senior Vice-President
