Dear Vacancy Committee:

Johnson County is very fortunate to have someone as able and effective as Janelle Rettig interested in becoming a member of the Johnson County Board of Supervisors. Janelle showed how effective she can be last year when she co-chaired the successful bond issue campaign for the Conservation Board. She will be an excellent advocate for the environment. I first met Janelle about twenty years ago when we were both on the board of the League of Women Voters. I found her to be a thoughtful person who carefully considered all sides of various issues. At that time I found out that she had worked in the office of Jim Leach and was a Jim Leach sort of Republican. I think Janelle will take a truly bipartisan position on the Board of Supervisors. Janelle is knowledgeable about the workings of governments on all levels and will be a great addition to the Board of Supervisors.

Yours truly,
