Tom Kriz, Johnson County Treasurer

Dear Selection Committee:

I am writing in support of appointing Janelle Rettig to the Johnson County Board of Supervisors. Janelle has worked tirelessly to improve Human Rights for all residents of Johnson County, and she was instrumental in helping me achieve a Human Rights Ordinance for the City of Coralville. I worked with Janelle in passing the county Land, Water, & Future referendum so I have seen firsthand her passion for preserving our natural resources. Janelle is fair in her decisions and would work well with other elected officials for the greater good of us all. I strongly encourage you to appoint Janelle Rettig to the Board of Supervisors for Johnson County.
