COUNTY AUDITOR

Dear Vacancy Committee,

I am writing to enthusiastically recommend Janelle Rettig for appointment to the Johnson County Board of Supervisors. I have gotten to know Janelle over the past 18 months, first through working with her on the Citizens for Our Land, Water, and Future campaign to preserve open space in Johnson County and then volunteering on her campaign for Johnson County Board of Supervisors. I have seen first-hand how Janelle is a builder of communities and I can think of no better person to serve on the Board of Supervisors.

Through her years of involvement, Janelle has successfully brought people together from across the county to achieve many goals, from advocating for bicyclists, promoting equal rights for all, and conserving land, to electing Joe Bolkom to the State Senate. From these and other experiences, Janelle has learned that multiple heads are better than one in solving a problem or devising a plan of action.

With the importance she places on listening to and collaborating with others, I am confident that Janelle will make an excellent County Supervisor.

Sincerely,

Jae-Jae Spoon
