To Whom It May Concern:

I have the honor and pleasure to recommend Edgar for County Supervisor position. He has been a friend and confidant for 7 years. He has been active member of the Iowa City community and dynamic friend. Edgar is an incredible individual with a high dedication in making change happen. He is currently taking on a project in Washington D.C. that will help with the education for South Africa Community College. His passion also extends locally providing much input regarding the educational system in Iowa City. Even as friend, Edgar has provided great input on some important family decision on education choices for my family.

It is with great pleasure that I write to you in recommendation of Edgar. He is a honest, caring individual who will make an extremely valuable asset to your organization.

If you have any additional questions, please contact me

Sincerely,
