Dear Mr. Slockett,

I urge you and the other members of the appointment committee to consider the appointment of Edgar Thornton to fill the vacancy on the Johnson County Board of Supervisors.

If you were to put the current board members on an imaginary scale, it would tip to the left. Include Edgar in the member mix and the scale tips back towards a proper balance. An experienced, thoughtful and reasoned man, Edgar would bring a much needed fresh perspective to the board.

In addressing the needs of Johnson County residents, you have an opportunity to make an appointment that is truly more inclusive and responsive to the many voter voices wishing to be heard.

Thank you for your time.
